

## CUT OUT POEMS

- 1 Leave participants a pile of magazines with texts ( you can also pre-cut out words beforehand ).
- 2 Present your own poem so that participants understand the aim of the activity : they have to cut words out of magazines in order to create their own poem.
- 3 Give participants some time to compose their text.
- 4 Gather together again, each person presents their poem to the others.
- 5 Revenez en grand groupe, chaque personne présente son poème aux autres.
- 6 Pin the poems to the wall.
